

## Family Tikkun Olam Commitment

Like most independent schools, your tuition payment at Jewish Academy of Orlando covers approximately 75% of our school expenses and its programs, and we rely heavily on fundraising support from parents, alumni, and the community at large to provide the best Jewish and secular education programs for your child. Donations also help us provide tuition assistance to families who need a little extra support to attend our amazing school.

Family Participation is vital to the success and long-term wellbeing of the school. All families attending Jewish Academy of Orlando are asked to contribute, within their means, above and beyond the cost of tuition. Please consider all of the following ways in which you can contribute during the coming school year and beyond. Your participation in these programs is appreciated at any level. Please indicate your interest by checking a box below.

My family will participate (or already does) in a 40/40 Campaign. A suggested donation would be \$40 per month for 40 months. You can start this commitment at any time.

My family plans to attend the JAO Gala and/or a similar fundraising event and will make a donation at that time. (You can contribute even more by organizing a table for families in your class, donating items for auction, and selling ads in the event programs).

Please add a donation of \$ \_\_\_\_\_ toward the Annual Campaign to each of my automatic monthly tuition payments.

**5th Grade Families:** Following graduation from Jewish Academy of Orlando, my family will make an annual donation of \$ \_\_\_\_\_ for five years in appreciation for all of my child's achievements at the school.

My family would like to discuss establishing a long-term or legacy endowment through TOP Jewish Foundation, or another member of my extended family may be interested in doing so. Please contact me.

Reflecting Jewish values of Tzedakah (Mindful Giving) and Tikkun Olam (Repairing the World), parents of Jewish Academy of Orlando students are asked to volunteer a minimum of twenty (20) hours per school year, starting with the 2020 - 2021 school year. All hours will be tracked through signing in and out on the computer in the school office. Opportunities include classroom help, lunch duty, fundraisers, school/family events, and more.

*This form must be signed and returned with the enrollment contract (only one per family).*
