Dear Future JAO Family,

As we enter into the admissions season for the 2021-2022 academic school year, a big decision lies ahead for you in choosing the right school for your child. We at Jewish Academy of Orlando understand that many factors come into play when making this commitment to your child's education.

As you know, Jewish Academy of Orlando has been educating the leaders of our community for over 40 years. In our environment of smaller classes, enriched curriculum and hands on learning, our students excel academically, along with developing independence and leadership skills they carry forward in their lives. Our graduates have moved on to stand out at local advanced placement high school programs and Ivy League universities.

As we begin to prepare for the coming school year, we are pleased to provide you with this application packet and information. We have many exciting programs and opportunities for your child to continue to grow and thrive academically, socially and emotionally.

Please check out the link to a summary of our Iowa Test Scores reflecting the level of scholastic achievement at Jewish Academy of Orlando. As you can see, our students are consistently scoring several grade levels over their class placement in reading and math. Also, check out the link to our new curriculum guides that provide you with an overview of our amazing Kindergarten program.

These scores and our curriculum guide reveal one significant factor to consider when making your decision about JAO, that Jewish Academy of Orlando educates and produces high achieving students in an enriched environment far beyond their grade level.

We would be happy to share additional testing results with you, should you like to explore the academic side of Jewish Academy of Orlando further. We look forward to your child joining our students here next year.

We are proud of our school with our amazing teachers and staff, and we are eager to plan for the upcoming school year. If you have any questions, please call or email either of us to discuss.

L'Shalom,

Robert Gebaide  
Board President

Amy Polacek  
Admissions Coordinator

P.S. Please send in your application on or before Friday, February 19th to receive the early enrollment tuition rate.
